ul. Prosta 67  
00-838 Warszawa

To: Karimpol Polska Sp. z o.o.  
ul. Księdza Ignacego Jana Skorupki 5  
00-546 Warszawa

Re: Karimpol Polska and Skyliner I office in Warsaw

As a tenant of the Skyliner I office building in Warsaw, we would like to recommend the services of Karimpol Polska Sp. z o.o. ("Karimpol"). We have been satisfied with the quality of the fit-out of our office delivered by Karimpol, and appreciate the flexibility and professionalism shown by their construction team throughout our relocation process. Our staff values the Skyliner I building, not only for its convenient location next to the subway station and various forms of public transport, but also for its on-site amenities, such as a large canteen and bicycle-friendly infrastructure with lockers and showers. The building's low service charge costs, green solutions, and the user-friendly SkylinerApp, which facilitates the management of rotating parking spots, have all contributed to a positive user experience. We look forward to continuing our relationship with Karimpol as our office space needs evolve.

Sincerely,

---

Łukasz Lisowski  
COO of Aon Polska Services
