Karimpol Polska Sp. z o.o.

Ul. Księdza Ignacego Jana Skorupki 5

00-546 Warszawa

As a tenant of the Skyliner I office building in Warsaw, we would like to recommend the services of Karimpol Polska Sp. z o.o. We appreciate the flexibility and professionalism shown by their construction team throughout our relocation process. Our staff values the Skyliner I building for its on-site amenities, such as a large canteen and bicycle-friendly infrastructure with lockers and showers. The building's low service charge costs, green solutions, and spacious lobby have all contributed to a positive user experience. The building lobby is a favorite spot for our employees to spend their breaks and hold informal meetings. These amenities make working at Skyliner not only safe but also comfortable and conducive to productivity. We look forward to continuing our relationship with Karimpol as our office space needs evolve.

Sincerely,
